Russia is a big country and it happens when packaged tours do not fit travellers' requirements.

The advantage of tailor-made travel is that your trip is designed specially for you. You can visit the sights you are interested in, choose your preferred style of accommodation and transportation.

We welcome you to contact us with your ideas of what you would like to see and what kind of the trip you want. Based on our experience and knowledge we will suggest a travel plan. We will answer any further questions you may have and make necessary corrections.

Once you are satisfied with all the arrangements we can proceed with booking.
